Tove Jansson was a master of brevity, unfolding worlds at a touch. Her art flourished in small settings, as can be seen in her bestselling novel The Summer Book and in her internationally celebrated cartoon strips and books about the Moomins. It is only natural, then, that throughout her life she turned again and again to the short story.

Jansson is principally known as the author of the Moomin books. Jansson created the Moomins, a family of trolls who are white, round and smooth in appearance, with large snouts that make them vaguely resemble hippopotamuses. The first Moomin book, The Moomins and the Great Flood, was written in 1945.
